Last year or 2 years ago you got an 87% increase in your rate now they want 27% increase, because of undeveloped land that they had hoped developers would build on, due to the housing clutch it didn't happen now the want to recoup that money - to me it's a just a gamble. I gamble everyday on the stock market and lost lots a few years ago nobody payed me back the money I lost. I don't like this corporation holding me captive.
